

Show Me Fridays

Registration Form

All events are for children in grades 4-5 and will be held on six consecutive Fridays in June and July. Older and younger children younger may participate at the discretion of the parents. **Each event will be focused around animals**, with activities and presentations. Children will be able to take many activities home with them. Admission to each session is just \$5, \$20 for all six sessions.

Drop-off and registration for each event will begin at 8:45 a.m. and each session will begin at 9 a.m. A description of each event is listed on page two and should be considered when registering your child(ren) for each session. Children must be picked up immediately at noon as each session concludes. Lunch will be served at 11:30 a.m. and is included in the cost. Special arrangements can be made to pick up your child earlier if needed.

Program Descriptions:

Session #1 – Honeybees and Beekeeping

Elk Mound beekeeper Veronica Knudsen will share her experiences as a novice beekeeper and give an overview of the life of the honeybee and the equipment she uses. Participants may sample honey from Knudsen's hives. Activities will include creating a beeswax candle.

Session #2 – Animal Folklore

Wisconsin folklore includes many tales of different animal-related beings such as the Hodag and Bigfoot. Children will see cartoon creations by a local author exploring these tales. A visit to the nearby game park will provide children with ideas to create their own folklore animal. Activities will include drawing, folklore creation and identifying animal tracks.

Session #3 – Dress as a Butterfly

Ruth Forsgren of Beaver Creek Reserve will lead this session on butterflies. Children will learn the life cycle of a monarch butterfly, turning one child into a monarch. Activities will include butterfly gardening and growing caterpillars into butterflies.

Session #4 – Worldwide Insect Road Show

John Hempel will exhibit and interpret trunk loads of valuable insect specimens. Explore the wonderful world of bugs and meet insects not found in Wisconsin -- this is a must-see collection! Activities include a bug dig kit, bug mazes, and the opportunity to taste a dried cricket and/or grasshopper.

Session #5 – Red Cedar Trail Field Trip

Children will travel to the Red Cedar State Trail visitor center where they will learn about the trail, wildlife of Wisconsin, and view exhibits in this former railroad depot. On a stroll down the trail they will learn about the men and women who rode the rails 100 years ago. Activities include dissecting an owl pellet. Bus will return to the museum at noon.

Session 6 – Herptiles

Jim Schweibert of Beaver Creek Reserve will introduce children to herptiles, a class that includes amphibians and reptiles. Schweibert will bring some friends including toads, snakes and frogs. Activities will include painting a frog pet rock.
